

SHRUTI DWIVEDI

Public Speaker||MUNer|| IR & Diplomacy

ABOUT ME

I am Shruti, currently pursuing my graduation in the AI & Data Science, but I've deep interest in Public Policy as a space. Besides being a defence aspirant, I frequently indulge into Public discussions over Government policies, ongoing issues, and reading more about the same! In the direction of pursuing the same, I have participated in numerous Model United Nations, Youth Parliaments to shape my research abilities and analytical skills over time!
